Significant shareholdings in companies whose equity securities are listed on SIX Swiss Exchange.

Significant shareholdings in companies domiciled in Switzerland or in companies not domiciled in Switzerland whose equity securities are listed in whole or in part or whose primary listing is on SIX Swiss Exchange must be reported to the company and to the Disclosure Office of SIX Swiss Exchange. Notifications published by issuers are available below.

[Important information about the database](#)

Via the database, you can make a precise search for information provided by companies in adherence with this legal disclosure requirement. Until the end of 2008 the database was based on the corporate filings published by the companies in the Swiss Official Gazette of Commerce (SOGC) since 1 January 1998 and subsequently entered into the database by the Disclosure Office.

Since the implementation of the electronic publication platform of the Disclosure Office the data is entered directly by the issuer within two trading days of receipt of the filing. Publication on the SIX Swiss Exchange website takes place before 7.30 a.m. on the next day.
